*Thank you for returning the **many** important papers that have come home this past week!! Please be sure to read all paperwork carefully before completing and returning, even if you are a returning family. **Please consult the handbook before planning birthday/class celebration snacks.**

It is imperative that we have current information in case of emergency. If any of your contact information changes throughout the year, notify us immediately.

*Thank you for attending the Open House parent nights. We hope you found the information useful and learned something about the teachers' expectations and routines for this year.

***School begins promptly at 7:45 a.m.** Moring Mile runs from 7: 15-7:35. Please have your children here by 7:40 at the latest to ensure they have time to check in and unpack. Morning Meeting begins **promptly** at 7:45. Please leave yourself extra time in the morning if you find yourself running late.

*We are settling in to the drop off, pick up, and parking routines. Please pull all the way up to the front of the pickup area and try to close any gaps between cars. We need to be sure traffic is not backing up on to the street. It is also important that we do not park on the neighbors' grass or block driveways. **We have already had complaints and photos sent of vehicles parked well on the grass at parent night. Please be sure to park only on the west side of the street and keep children with you at all times. The HLA parking lot is a cell phone free zone. This rule is for the safety of everyone!**

*We have many volunteer opportunities available to you. We need parents to work the library, clean lunch tables each morning, clean classroom tables and more. We especially need volunteers to listen to children read. **PLEASE sign up on Sign-Up Genius so we can spread out the duties and ensure we have enough people to cover them.** We must have a new completed volunteer application on file, every year, before you can volunteer. We hope to see many of you on Saturday for our HLA Beautification Day. We have a ton of work to do, and many hands lighten the burden.

*The production of the playground has been delayed. It is now scheduled to be installed during the winter holidays. I have conveyed our extreme displeasure with the situation to all responsible parties.

Please always feel free to contact us with questions or concerns regarding your children 's education.

Mission Statement: To provide excellence in education with a focus on lifelong health, nutrition, and fitness for the creative mind and healthy body.
