

The Trujillo Times
April 15, 2016

The Week: This week we finished our graphing data chapter and tested on it. We also finished Chapter 5 in Science. I will grade both the Math and Science tests this weekend and send them home Monday. In Language Arts we learned about future tense verbs and reviewed text features. Next Thursday we will take part one of the EOY Reading test.

Word of the Week: Conservation. The protection of animals, plants, and natural resources. Because next Friday is Earth day, we discussed different ways we can conserve our resources and keep the Earth beautiful!

Reminders:

→Report cards went home yesterday. Please **sign and return** both the envelope and report card as soon as possible!

→Next **Thursday, April 21st**, we will take part one of our End of the Year Reading test.

→Remember, constellation papers are due **Monday, April 25th**. There will be no reading summary this or next weekend. This should give the children plenty of time to write their papers. Each child has their articles in their purple folders.

→Thank you to everyone who came out to Parent Involvement Night last night. It was a lot of fun! ☺

→Please continue to practice those basic Math facts at home.

Trivia Question: Answer the following question for **1 punch on your Earn and Return cards!!** Write your answer somewhere on this newsletter. Your parents may (and are encouraged) to help you. “Tashkent is the capital city of which Central Asian country?”

Spelling List (hard and soft g)

gallery	gosling	gullible	Gainesville
goldenrod			
gymnasium	geology	gigantic	Germany
gibberish
