

The Trujillo Times
April 7, 2016

The Week: We got right back to our normal schedule this week, which the children were VERY happy about. In Math we learned about graphing data. The class is very strong in this subject area so we covered only the most important lessons in the chapter. We will be reviewing Monday and Tuesday and then testing Wednesday of next week. We also finished up our chapter about stars in Science. We will be reviewing for that test Monday and Tuesday as well, but will be testing Thursday afternoon. Since we are now wrapping up the year, we will begin taking our End of the Year (EOY) tests, spread out over the next few weeks. We will be completing our EOY writing prompt next Friday.

Word of the Week: Ecology. A branch of science concerned with the relationships between living things and their environments. We chose this word because Earth Day is coming up very soon and we wanted to discuss ways we can help our planet.

Reminders:

- NO SCHOOL TOMORROW! Except for me.... ☺
- Constellation choices are due **Monday, April 12th**. If your child does not have his/her choice ready to turn in, he/she will receive a 0% in the gradebook for homework until the choices are turned in.
- We will be taking a Math test **Wednesday, April 13th**. A review sheet will be sent home for the children to study.
- We will be taking a Science test **Thursday, April 14th**. A study guide will be sent home.
- Parent Involvement Night is next **Thursday, April 14th**. Join us for a night of yoga and fitness! Arrive at 5:45 for light snacks.
- Report cards go home **Thursday, April 14th**.
- Earth Day essays are due next **Friday, April 15th**. See blue flyer for more details. *No summary this weekend only for those students who choose to participate in the contest!* Submissions will be sent to The Gainesville Sun and could possibly be printed in the newspaper.
- Our EOY writing prompt will be completed **Friday, April 15th**.

Trivia Question: Answer the following question for **1 punch on your Earn and Return cards!!** Write your answer somewhere on this newsletter. Your parents may (and are encouraged) to help you. "Which country lies between Spain and France?"

Spelling List (hard and soft c)

cabbage	consideration	cadence	cuticle	curable
circumference	ceremony	centennial	cinnamon	cyclist
