

The Trujillo Times  
May 20, 2016

**The Week:** This week we finished writing our regular screen time vs. screen free week papers. I will grade the papers and graphs/logs this weekend and send home the grade on Monday. We also finished Chapter 7 in Science and will be testing next Thursday. A review sheet will go home Tuesday for the children to study. This week in Math we played various games, as well as completed a Match Mine activity using foam shapes. The goal of this activity was to learn how to better give/receive directions. Ask your children to tell you about the process.

**Word of the Week:** Integrity. The quality of being honest and fair. This was a follow-up to last week's word—honesty. We spoke to the children about how important it is to do the right thing even when no one is watching you.

**Reminders:**

- Progress reports went home recently. If you have not signed and returned, please do so ASAP!
- The year is coming to an end and we need to collect library books. *Please return all checked out books by next Friday, May 27<sup>th</sup>.*
- Our next Parent Involvement Night is **Thursday, May 26<sup>th</sup>**. Your children should be working on their living museum projects. Remember, I am awarding extra credit towards a low grade plus 10 punches on their earn-and-return cards.
- There is a Science test next **Thursday, May 26<sup>th</sup>**.
- Our field trip to the nursing home is next **Friday, May 27<sup>th</sup>**.
- There will be no school on **May 30<sup>th</sup>**, due to Memorial Day.
- Please be sure to ask your children about what they learned in P.E. and music.

**Trivia Question:** Answer the following question for **1 punch on your Earn and Return cards!!** Write your answer somewhere on this newsletter. Your parents may (and are encouraged) to help you. "What sort of creature is an argali?"

Spelling List (Science Vocab)

energy	mechanical energy	soundwaves	electricity	heat
pitch	kinetic energy	friction	momentum	potential energy
