Classroom News

The 100th Day of School Collaborative project was a hit! The students had so much fun! Make sure to ask your child about his/her role in the project. What a great idea too to create at home! I will get some pictures posted to Class Dojo in the next few days. Be sure to check them out!

Book It! Coupons for the month of January will go home this coming week. Book It! Minutes for the month of February will increase 1 minute each reading day (5 minutes per week or 18 minutes a day) for a total of 342 minutes for the month. If you do not want to participate in Book It!, then your child only needs to read 15 minutes each of the five nights. Book It! is optional.

During Morning Meeting Mrs. Egan showed students a video of the most recent rocket launch. Students loved it and I bet they'd love to watch it again and tell you about it. Google 'rocket launch' and it will come up.
