Classroom News

- October is turning into quite a busy month! I hope I haven't forgotten anything!
- Students have been learning about apples all week and drawing, writing, & crafting master pieces! We will finish up today. Please come see our hallway on Monday for your child's display!
- We are finishing up a lot of units in the next week or so: subtraction strategies, communities, basic needs, and sequencing. Students will take several quizzes & tests in this timeframe.
- There are still many things in the works such as our field trip, fall party, & garden day. Hopefully I'll be able to finalize those events this coming week.
- Thank you again for all of the classroom donations & volunteering you do! I appreciate it very much!
