

# Weissler Weekly

October 8th - 12th

**FTE Week-** Please make sure your student is present during this coming week of Oct. 8th- 12th. Attendance during this week will help HLA receive funding.

**Marking words-** At this time, I would like the students to begin marking their words on their own at home. We have been practicing for about six weeks now, and I have seen vast improvement with this in class. It is not mandatory they mark their own words yet, so if

your child does not feel confident quite yet in this area (new students) they can just continue to write their words out and mark them with us on Mondays. Each of the students should at least be able to mark the CVC's (underlining vowels) and syllable divisions at this point.

**Silent Auction-** October 25th we will have a silent auction at our parent night to raise funds for our butterfly garden. Each class will be creating a basket to be auctioned off, ours will be *garden* themed. If you have anything you would like to contribute it would be greatly appreciated.

**Tip of the week-** It is great to let your child have the responsibility of packing their lunch, snack, or backpack. However, please still check to be sure they are bringing everything necessary to school.

## *Spelling List*

*When two vowels go walking EE EA*

freeway      weekday      sixteen      between      nineteen

freeze      defeat      peaches      season      grease

Cut
