

Weissler Weekly

November 5th

-Veteran's Day Assembly next Friday 11/9/18. Please encourage students to wear red, white & blue on that day. If you have any family members in your class who have served please ask if they would like to be recognized that morning or better yet, would they be willing to talk to our students about what it means to be a veteran.

-Conferences for our class will be held on Thursday 11/8/18. Please plan accordingly so we may stay on schedule. If you are unable to attend this Thursday, please send me an email requesting another date that will work better for you. I will try my best to accommodate your schedules.

-Math Stations- As discussed during the parent night, math stations are being implemented in the classroom. These stations will rotate daily and allow students to work at a comfortable pace. While math facts will be included in stations, I would still ask that we practice our math facts for our math log.

-Spelling Menu- We have received a new simplified spelling menu this week. Our spelling hw will be specific activities each night that will be checked the following day.

Spelling List- OU/ OW words

Tout	south	mouse	noun	shallow
Spout	rainbow	shadow	minnow	stow

Cut
