Students will NOT have any homework over the holiday!

Classroom News

What an amazing job the kids did last night at our holiday concert! It is my favorite event at HLA!

Students will NOT have any spelling this upcoming week. New words will be given the day we return and students will mark up their words in class.

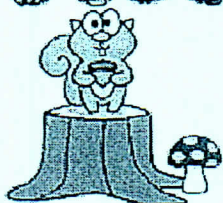

Reading logs this week will consist of 3 nights only; Friday, Monday, & Tuesday. Please turn reading logs in on Wednesday, December 19th.

Please take note that I changed the due date of the math facts fluency log to Wednesday, December 19th. A new log for January will go home on Monday, January 7th.

Students will take their math test on subtraction concepts on Tuesday, December 18th. Please be sure your child is studying the 4 extra vocabulary words: number line, count on, whole, & part as well as the three vocabulary words for chapter 4.

Please cut, sign, and return
