

Weissler Weekly

December 3rd

- *Winter Weather* – The winter weather is here (sometimes)! **PLEASE be sure your children are dressed appropriately each day.** On cold days, they should wear 3 layers of shirts (short sleeves, long sleeves, and a jacket) and pants or leggings. They are still going outside every day and the

temperature varies between each room throughout the day as well. Please be sure they are taking all clothes home at the end of each day, as it is difficult to keep track of clothing that is left behind. **Also, please label jackets and sweatshirts so they will be able to find their way home**

-*HLA Holiday Program* – We are working very hard to practice our Holiday Program songs for your enjoyment on December 13th, at 6:00. Please feel free to invite your family and friends for a fun filled evening. Do not forget to bring some lawn chairs or blankets to sit on.

-*Math Facts*- *Please work with your children on the basic addition and subtraction math facts. Be sure to write these practice times on the log located in your children's purple home folder. This log will be counted as a math grade, so please be sure to fill it out after your children complete their math facts practice.*

- *Help your child learn to be respectful, peaceful communicators by role modeling gentle, "eye to eye" (undivided attention) sharing. Have a special chat in your child's play space, on their level. Let the topic of conversation be your child's choice!*

Spelling List- OY words

August	vault	pause	taut	daunt
haul	daub	faucet	staunch	author
