Students are writing their first book report on an animal. Students are partnered up to read a book together & then work on their book reports together. Students are enjoying learning about their animal. If you are interested in helping in the classroom as we work on our reports next week, please send me an e-mail.

Hiker of the Week

Our Hiker of the Week is Alexa Ray! Please bring in 3 pictures to share with the class, 1 show-n-tell item, and your Hiker of the Week sheet on Monday. Alexa will also be line leader, help me teach yoga, and greet students as they come into the classroom each morning after yoga!
