

# Weissler Weekly

February 11th, **2019!**

*- Conference Day- Friday February 15th is 2nd Grades day for conferences. If you would like a conference please sign up by the front desk.*

*- Reminder of homework change - The students should be starting to mark their own words in their spelling journals for the weekend homework. The students need to mark the CVC's, short and long vowels, syllable marks, and any other rules we have discussed. We will review the markings in class to be sure they have the words correctly marked.*

*-Reading Log Reminder- We will alternate weeks between the daily reading questions and the full weekly summary. (This will be clearly stated on the log.)*

*-Optional Extra ELA Practice- Due to our pace we often do not get to every worksheet activity for the week and I will start sending these home. Parents, it is up to you if you would like your child to complete these as they are optional. They will be able to return the worksheets completed for Class cash. \$\$*

*-Five Points of Life- Race weekend is February 16<sup>th</sup>. I hope you can join HLA for either the 5K or the kids marathon!*
