Hiker of the Week

Our Hiker of the Week is Gideon Anderson! Please bring in 3 pictures to share with the class, 1 show-n-tell item, and your Hiker of the Week sheet on Monday. Gideon will also be line leader, help me teach yoga, and greet students as they come into the classroom each morning after yoga!

Lastly, we have started our unit about Dr. Seuss! His books are so much fun!

Classroom News

We had a great time on our field trip to Leveda Brown Environmental Park. We learned a lot about recycling plus a few other things such as: you can get free mulch there and Gainesville's landfill is full. Trash is being transported to Union County to their landfill!

Book reports will be hanging in the hallway by Monday afternoon. They turned out amazing! Come take a look at everyone's. Feel free to lift the cover page to see the report, just be careful as the clip comes off easily.

We've wrapped up Ch. 6 – Two-Digit Addition & Subtraction in math and we move onto graphing. Another one of my favorites!

Students are enjoying my rock collection in science as they learn about natural resources. In social studies, we're learning about geography, another favorite of mine!

Days Off

I will be taking a few days off in March (3/21, 3/22, & 3/25). March 22nd is a teacher work day so students will not be in school anyways. Ms. Sacket will sub for me while I am out.

Dr. Seuss' Birthday

Thank you so much for letting us borrow your Dr. Seuss books. We will use them all of next week and will return them sometime the following week.
