

Mrs. Thomas's Class  
Classroom Newsletter  
August 16, 2019

**Dates to Remember:**

8/24 – Garden

Beautification Day

9/26 – Gardening &

Spanish start

8/30 – Community

Helper Day!

9/2 – No School – Labor

Day

Thank you so much for all of the donations from the Helping Hearts board. I appreciate it very much!

Thank you volunteers who are able to make it on Friday, August 30<sup>th</sup> to share with the kids what you do. We are looking forward to it!

Our first week at school was a success! The students are doing amazing with new routines and procedures each day, and learning more about each other.

Next week, we will begin our beginning of the year testing. Students will be tested in math, reading, science, and writing. We will test throughout each day with frequent breaks. Testing at the beginning of the year can be stressful for students. Please make sure kids have a hearty breakfast & lots of sleep next week!

Students will NOT have any homework next week. We will start the following week.

Garden Beautification Day is Saturday, August 24<sup>th</sup> from 8-12. Please try to come! The biggest job is to prepare the track for Morning Mile. It takes a lot of helping hands! Bring your family & enjoy some outdoor time together.

Thank you for everyone's help getting our class off to a great start!

Word of the Week (WOW)

Kindness
