are attached for the  
second nine weeks.

Please discard the  
passes from the first  
nine weeks.

Classroom News

October 14<sup>th</sup> marks the end of the first nine weeks!  
Students are settling in, getting used to their  
schedule, and growing academically so much  
already!

Starting Monday, students are expected to start  
writing their last names on all papers. Please help  
enforce this at home when they complete their  
spelling homework and put their name on their  
reading log.

Starting today, students will need to read 10  
minutes 3 nights a week for a total of 30 minutes.  
There are no other changes at this time in regards to  
the reading log. On November 1<sup>st</sup>, students will  
start writing one sentence about what they read on  
their reading logs.

Please don't forget to turn in your Butter Braid  
orders on or before Thursday, October 17<sup>th</sup>! Themed  
basket donations are due Monday, October 21<sup>st</sup>.  
Please do not feel like you have to contribute to all  
3 fundraisers. HLA wanted to provide options so  
you can pick what works for you & your  
family.

**WOW - peace**

## What We're Learning Next Week

### Spelling Words

Focus: short /a/ & /e/

1. tan
