Classroom News

Today, the class received some really cool donations! We have a butterfly habitat and many beautiful butterfly books for our classroom! Students will learn about the life cycle and how to identify different butterflies. We will also use our science journals to record data about the butterflies as they change and grow. Please come see our habitat anytime. Thank you so much Mrs. Bastak!

I'm very excited for our field trip to Roger's Farm. I have never been! Thank you for all of the chaperones that have signed up. It's going to be a great day! I forgot to mention in my e-mail that parents do not receive volunteer hours for being a chaperone on a field trip. Please make sure you have filled out a volunteer form & turned it into Mrs. Carr or Ms. Ashley.

Mrs. Carr delivered her baby boy on Tuesday! We're all very excited for her and her family!

Don't forget our fundraisers! Details on the back!

Hopefully you heard that HLA is having a big fundraiser! We are trying to raise \$5K for a basketball court. There are going to be 3 different fundraisers to reach our goal. Our first fundraiser is a Go Fund Me account. You can go to HLA's Facebook page to donate. Our second fundraiser is Butter Braids which is a delicious pastry just in time for the holidays! Every Butter Braid that is sold, HLA keep \$5.50! Sales brochures went home yesterday or today. These are delicious so don't miss out! Our third fundraiser will be themed baskets. 1st grade will have one boy basket & one girl basket (ages 5 – 8 for both baskets). Our themes are Lego's and Unicorns. HLA will have a silent auction during an upcoming parent night for the baskets. To get the basket started, I have donated Unicorn slippers and a Lego Sky Police Jet kit.
