Classroom News

We have a busy week coming up again with our field trip on Thursday & our Valentine's Day party on Friday! Don't forget to have your child wear a red t-shirt on Thursday!

February is Dental Health Month and we have 2 exciting visitors coming to K & 1st grade. Grins & Giggles Dental visits us on 2/18 and Santa Fe Dental Program visits us on 2/20.

Our math test on Chapter 5, Place Value will be on Tuesday, February 11th. A test review will come home on Monday as homework. Please make sure to review your child's vocabulary words with them. We have been practicing them in class as well.

We started a new unit in science, Land and Water which is one of my favorites! The kids will work on a poster of all the different land forms to take home.

As a reminder, students will need to read 4 times a week for 12 minutes for a total of 48 minutes & write 4 sentences for the month of February! In March, it will increase to 15 minutes a night, 5 nights a week, and 5 sentences total.

Five Points of Life Kids Marathon

The Five Points of Life Kids Marathon is coming up on Saturday, February 15th. Last year, HLA was recognized for having the most students attend the marathon. Please Google for more information.

Valentine's Day Party

If your child would like to participate, please send cards in on Friday morning, preferably in a baggie with your child's name on the outside. During our party, students will decorate a bag to collect their cards in. Please do not send in sugary treats attached to the cards. You may send in items such as stickers, pencils, stamps, etc...if you wish.
