Classroom News

Happy Valentine's Day! The kids are excited for our party this afternoon.

Don't forget, there is no school on Monday, 2/17 as it is President's Day.

Thank you for your continuous support with your Scholastic Book orders! We get free books for our classroom with your orders. This last order, I was able to order some chapter books to add to my classroom library as I don't have very many.

Parent Night is next Thursday, 2/20. It is one of my favorites! Bring the family & dance for a healthy heart!

If you are in need of classroom hours, please see if you can volunteer to help kids make a snack for parent night next week. 1st grade has the kitchen from 11:00 – 12:00. Please sign up on SignUp Genius.
