Classroom News

We had so much fun during our visits with Grins & Giggles and the Santa Fe Dental Program! We learned about eating healthy which keeps not only our bodies healthy but our teeth healthy too. Also, how to brush our teeth properly. Ask your child what he/she learned.

Please note, 1st grade parent conferences are on Tuesday, February 25th. If you have forgotten your scheduled conference time, please let me know.

Since spring break is towards the end of March, parent night will be held early. Please note the date on your calendar.

Don't forget to practice math vocabulary at home. Cards were sent home on Tuesday, 2/18 & are a review for students. Our test is scheduled for Friday, 2/28!

Please let me know if you can come in and pull math pages from our workbooks. It takes approximately 1 hour per chapter. I think there are 4 chapters left to pull but not all remaining chapters need to be pulled at once.

Dr. Seuss' Birthday!

Dr. Seuss' birthday is on Monday, March 2nd. We will do different activities surrounding Dr. Seuss all week. Also, we will read lots of different Dr. Seuss books during the week. If you have any Dr. Seuss books at home that you would like to share with the class, we would love to borrow them for the week. Please make sure your child's name is in each book. We will take care of them & return them sometime the following week.
