Fax: 352-372-1665

October 2020

Important Dates:

10/6 - Progress reports available via Skyward Parent Portal

10/30 - Pumpkin Day

11/6 - No School Teacher Work Day

11/11 - No School Veterans Day

*Thank you to all the parents, students and teachers for working so hard to get this year off to a solid start. There have been some bumps in the road, but we have found our groove and things are running more smoothly. Although our traditional daily routines are a bit different, all our students and teachers have done a wonderful job adapting and coming up with creative ways to make school seem and feel as normal as possible. Please do not hesitate to contact your child's teacher or Mrs. Borganelli if you have any comments or concerns.

*Progress reports and report cards will NOT be sent home in the purple folders like they have been in the past. These documents will be available for you to view in the Skyward Parent Portal. If you have not logged in before or if you are having issues please contact Mrs. Carr at rcarr@hlacharter.com and she will resend your login information.

*We will be having Pumpkin Day this year! Mrs. Borganelli and the entire HLA staff feel that it will be very beneficial for the children to continue this tradition this year. We have designed the stations to be distanced and all the grades will remain together throughout the activities. Unfortunately, we will not be able to have parent volunteers this year :(but we will take plenty of photos to share. Please send your child with a pumpkin on Friday 10/30, their full name should be on the bottom of the pumpkin and do not cut the top off. Pumpkins will need to be small enough for your child to carry them to all stations.

*Please remember to label your child's items, lunchbox, water bottle, jackets etc. With the cooler mornings coming it is inevitable that some children will leave a jacket or clothing item behind at the end of the day, having their name inside prevents the pileup of lost and found.

* All school breakfast and lunches are free until 12/31/20. Breakfast consists of cereal, milk and juice. The lunch menu is listed on the school's website healthylearningacademy.com on the calendar for each day. Until further notice there will not be an additional option available for student lunches.

Mission Statement: To provide excellence in education with a focus on lifelong health, nutrition, and fitness for the creative mind and healthy body.
