- PE: Throwing/Catching Balls

Classroom News

Students are making great progress in all subject areas. We will start our 3rd reading story and start reading groups next week. In math, we're almost finished with our first unit & will test soon. Students planted lima beans in science to kick off learning about plants & animals. We will learn more about voting next week through activities surrounding the book "Duck for President".

Students will write their new spelling words at home from now on. This activity is worth 34% of their spelling homework grade for the week. Please do not have your child mark up their index cards at home. We do it in class together each Monday.

Thank you for all of your Scholastic Book orders! I receive points for every dollar spent & I order books for our class library for free! It's a great way to help! Keep books in mind for the upcoming holidays & birthdays.

Wow! Kindness
