Classroom News

A big thank you to Ms. Compos & Mrs. Cohen for holding down the fort in 1st grade while I was out! They are amazing ladies!

I'm so proud of all of the kids as they gave their best on this week's testing. We will have parent conferences again in a few weeks to go over your child's scores and see your child's progression so far.

Can you believe we're almost half way through 1st grade! From now until the end of the year, you'll see some amazing growth in your child as they prepare to be second graders! It is my favorite time of the year as they grow so much!

Even though there is no school on Monday, January 18th, students still have 2 spelling homework assignments and 3 nights of reading & writing on their logs. Homework is due Friday, January 22nd. Please have spelling index cards ready for Tuesday, January 19th so we can mark them up in class that day.

As a heads up, students will start reading longer once we get into February. The goal is to get to 15 minutes, 5 nights a week by the end of March.

WOW -
