- 4. pain

Next Week

Reading: Conclusions

Phonics: ai

Math: Numbers to 120

Science: Land & Water

Social Studies: Geography

Art: Threatened Fish

PE: Physical Activity & its Benefits

Classroom News

Don't forget about our annual food drive! Please send in 5 dry or canned food items in a sack & hand to Ms. B at drop off. Our goal is 600 items! We also use the items for our 100th Day of School STEM project before they're donated so the more we, have the better.

Reading logs and spelling homework are due on Thursday, January 28th since there is no school on Friday. It is also the last day of the semester so it's important to be in school so all classwork and tests can be given & accounted for.

We have a lot going on in February such as: pictures, 100th Day of School, Valentine's Day, parent conferences, report cards, President's Day, Morning Meeting and yoga in the great room, and cooking with Ms. Christina! More details to come.

WOW -
