Social Studies: Work in the Community

Art: Threatened Fish

Classroom News

It's hard to believe we are halfway through our school year already! I'm so proud of the first graders & how much progress they have made since the beginning of the year.

Friday, February 12<sup>th</sup> is a very busy day for us! We will start out having our STEM challenge using the donated food items we've collected, celebrate the 100<sup>th</sup> Day of School, and our Valentine's Day class party! If your child wishes to exchange Valentines, please make sure they have one for each student in the class. A list is provided on the back. Also, students will need 100 count of some small item. For example, 100 pennies or bowtie pasta.

Reading homework is being increased to 4 nights a week for 10 minutes each night as well as 4 sentences on their reading logs. Please make sure your child is using their best handwriting, proper capitalization and punctuation. Reading logs and spelling homework are due on Friday, February 5<sup>th</sup>.
