- 3. float 7. grow
- 4. soak

Next Week

Reading: Compare & Contrast

Phonics: oa & ow

Math: Comparing

Science: Land & Water

Social Studies: Work in the Community

Classroom News

Next Friday is going to be a fun-filled day! We will start out by having our annual STEM challenge. Students will work in small groups to create a 3D model of their choice using canned good & dry food items.

Then, we will celebrate the 100th Day of School. We will have different activities surrounding this special day. Feel free to make your child a t-shirt at home to wear! Don't forget to send in 100 small items for your child to count.

Lastly, we will celebrate Valentine's Day! Students decorate a bag to put their Valentine's in and they will exchange Valentine's. We will eat a healthy snack, play Valentine's Bingo, & go to the class store.

Students are making amazing progress in reading. Please keep practicing those sight words at home! It makes a huge difference!

Don't forget to sharpen pencils & sanitize them each weekend as well as write our new spelling words on index cards!

WOW - compassion
