

# Weissler Weekly

For the week of January 17th, 2022!

## -Announcements

### Parent Volunteers

1/18 Parents will be allowed to volunteer at the school. A link to sign up genius will go out for you to schedule a time you would like to help. There is not a required amount of hours that must be met this school year, but it would be much appreciated. We will be limiting the number of parents in the school at once so please make sure you are signed up before coming in to volunteer.

### Homework and Reading Logs

I am so proud of the work ethic the students are developing both at home and in class. With your encouragement and support, the children are beginning to take more responsibility for completing and submitting their homework and reading logs. I would ask that reading log summaries now increase to 6-7 sentences in length. Accompanying the logs will now be a short reading comprehension passage (these should only take a few minutes, but it is more about practicing the skills each week.)

### No School

This is just a reminder that there will be no school on Monday January 17th in observance of Martin Luther King Jr Day. There is also no school on Friday, January 14th for a teacher work day.

### 100 Days!

Our 100th day of school is coming (January 26th). We will have a Canned Food Drive that begins next week.

### Essay Focus

In the first half of the year we primarily focused on creating ideas and putting them onto the paper. In the second half of the year we will begin to correct and edit our papers as we learn more grammar and punctuation rules.

**\*Students will turn in Spelling hw and reading log for a grade on Friday\***

Please check calendar daily for lunch menu

Essential Questions

What we are covering this coming week...
