

Weissler Weekly

For the week of January 4th, 2022!

-Announcements

Welcome Back!

I hope everyone had a fun and safe winter break! Welcome back and Happy New Year! The class will be focusing on getting back into our normal routine.

Reading Comprehension

We will begin reading comprehension quizzes weekly. These will be short passages followed by 2-3 questions to show understanding. You can help prepare your child for these quizzes by asking follow up questions to their daily reading practice.

Extra Reminders

Please be sure the students remember to bring in a healthy snack and a fresh water bottle each day. If your children need utensils for their snack please be sure to pack those as well. We are almost half way through the year, so those water bottles, lunchboxes, snack bags, jackets, etc could stand to be re-labeled with your children's first and last names.

Math Practice

It is especially important that you are continuing to practice math flashcards or activities at home (addition and subtraction)! Please continue to practice these skills over the holidays as well.

Essay Focus

In the first half of the year we primarily focused on creating ideas and putting them onto the paper. In the second half of the year we will begin to correct and edit our papers as we learn more grammar and punctuation rules.

Students will turn in Spelling hw and reading log for a grade on Friday

Please check calendar daily for lunch menu

Essential Questions

What we are covering this coming week...

Math- Chapter 7

Understand Place Value to 1,000
