Two's DAY!! 2/22/22!!!

This will be a spirit day! Encourage kids to wear "T" things, ties, tutu's, dress like twins, and dress like a 2 year old!! We will also be filling a time capsule and burying it on this day!! Kids may want to write letters to future students who will open the time capsule in 10 years..I would like for each class to decide together what they want to as a class to put in the time capsule. It can be pictures of the class, items that represent 2022, learning in a pandemic (maybe a mask or 2), fashion trends, a book that your class loves with a note describing its significance, newspaper from 2/22/22, art projects, etc. etc. Be creative! We will have an assembly that day and have each class place their items in the time capsule. Then we will bury it somewhere special on our campus! Select students will have the opportunity to decorate the time capsule!

Valentine's Day Celebration and cards

Valentine's Day is quickly approaching! Parents, please know that all kids in class are included in the Valentine card giving. I will send a class list of first names home to help you include everyone.

Effort Levels:

We are currently working on our effort levels in class. Please speak with your child and discuss whether they are trying their best and not doing just the bare minimum. A few points of emphasis will be spelling, grammar, and handwriting. We will be both self and peer editing to begin our process of creating our final drafts.

Essay Focus

In the first half of the year we primarily focused on creating ideas and putting them onto the paper. In the second half of the year we will begin to correct and edit our papers as we learn more grammar and punctuation rules.

5 Points of Life Kid's Marathon

Get Ready to Participate HLA!! We will see you on Sat. 2/19/22-Get the kids pumped up and ready to go!!

Students will turn in Spelling hw and reading log for a grade on Friday
Please check calendar daily for lunch menu
