

Weissler Weekly

For the week of February 21st, **2022!**

-Announcements

NO School Monday (President's Day 2/21/22)

Spring Break dates (March 21-25, 2022)

Two's DAY!! 2/22/22!!!

This will be a spirit day! Encourage kids to wear "T" things, ties, tutu's, dress like twins, and dress like a 2 year old!! We will also be filling a time capsule and burying it on this day!! Kids may want to write letters to future students who will open the time capsule in 10 years..I would like for each class to decide together what they want to as a class to put in the time capsule. It can be pictures of the class, items that represent 2022, learning in a pandemic (maybe a mask or 2), fashion trends, a book that your class loves with a note describing its significance, newspaper from 2/22/22, art projects, etc. etc. Be creative! We will have an assembly that day and have each class place their items in the time capsule. Then we will bury it somewhere special on our campus! Select students will have the opportunity to decorate the time capsule!

Effort Levels:

We are currently working on our effort levels in class. Please speak with your child and discuss whether they are trying their best and not doing just the bare minimum. A few points of emphasis will be spelling, grammar, and handwriting. We will be both self and peer editing to begin our process of creating our final drafts.

Fluency Focus

As we are in the second half of the year we need to continue to focus on reading. Continued practice at reading is a sure way to make all grades easier for our students. In order to help bring our fluency rates up, please try to have your child read aloud to you one day each week for the reading log. If necessary, you can choose easier books for that day as some find reading aloud to be more challenging than in our head.

Students will turn in Spelling hw and reading log for a grade on Friday
Please check calendar daily for lunch menu

Essential Questions

What we are covering this coming week...

Math- Chapter 10 Subtract Numbers Within 1,000
