

Weissler Weekly

For the week of April 25th, **2022!**

-Announcements

Math Practice/ Sight Words

As we are getting closer to the end of the year we cannot lose focus on the basics. If you have flashcards with basic math facts please have your student practice at home on days with little to no homework.

Be Ready to Start the day

Please remember to keep sending in those healthy snacks and lunches! Please make sure that your child is getting a good night's sleep. Sleep is often key in determining attitude and effort for the next day.

Review for End of the Year

As we are beginning to review what we have covered this year before we take our end of the year tests, be on the lookout next week for review packets. (Starting with Social Studies first.) These packets will be treated as a homework grade; however, students will have over a week from when they are handed out. These packets will be very helpful to show which topics we should focus on during our reviews.

Field Trip Forms

Field trip forms will be going home. Please return them filled out as soon as possible. If you have any questions regarding the trips please let me know.

Students will turn in Spelling hw and reading log for a grade on Friday
Please check calendar daily for lunch menu
