

# Weissler Weekly

For the week of May 9th, **2022!**

## -Announcements

### Review for EOY

We will be reviewing for our end of year tests. I will send home a list of the topics for each subject that we covered this year along with a sample question. Students can look this over to see what question types or topics they may need reviewing.

### EOY Test Dates

Science - Wednesday 5/11

Math - Friday 5/13

ELA Reading - Monday 5/16

ELA Writing - Tuesday 5/17

EOY Makeup - Wednesday 5/18

### Fluency Practice

Even though the year is almost over, progress at reading is still very important. Please have your child read aloud to you two times or more this week so they can gain confidence in their reading ability.

### Math Practice/ Sight Words

As we are getting closer to the end of the year we cannot lose focus on the basics. If you have flashcards with basic math facts please have your student practice at home on days with little to no homework.

**\*Students will turn in Spelling hw and reading log for a grade on Friday\***  
Please check calendar daily for lunch menu

### Essential Questions
