

THE BECKER BULLETIN

May 13,
2022

Thank You!

I just wanted to thank all of the parents who took the time and energy to contribute to Teacher Appreciation Week. The flower arrangements, food, and gifts meant a lot, and were greatly appreciated. However, the personalized cards, as well as the text messages and emails really made my week!

Summer Fever

With only ten school days remaining, many students are more than ready for summer vacation. Please remind your children that they need to continue working hard right until the end. Students need to put forth their best efforts when it comes to the Science FSA and their Science Fair projects, and be on their best behavior at school and while visiting St. Augustine. This has been a great year, and I want students finishing strong!

The Week In Review

This past week, students were able to continue to review for the FSA, as well as complete end-of-year testing and do science and social studies. We were also able to continue with our class novel, *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*.

In science, we just tested on Unit 11: Plant and Animal Adaptations. We also just completed our chapter on the American Revolution in social studies.

Word of the Week:

Our word of the week was "reliable," which means dependable. Keeping your promises and doing what you say you will do frees you from regrets other people live with. A reliable person knows that, first and foremost, he can count on himself. That enables him to live with confidence and self-respect.

Miscellaneous
