

# Weissler Weekly

For the week of August 22nd, 2022!

## -Announcements

### Purple folder

Please check your child's purple folder EVERY day. Make sure to take out any papers that are on the "home" side of the folder. Spelling, Vocab, and reading logs should stay in folders for the week. These will be turned in on Fridays.

### Gardening

In gardening we have begun planting milkweeds and are currently studying the life cycle of a monarch butterfly. Please ask your child about what we have seen and discussed.

### Stress

Second Grade is not the year to stress. Please let me know if any activity is too challenging for your child. I will try my best to reassure students that the most important thing is that they try their best. If there are any activities or homework assignments that are taking too long, please just write me a note on it or send me an email. If you ever need an extra day or so to finish something there is no penalty, same goes for work left at home.

### Homework

- On a normal day, students may have math homework if we did not have time to finish in class.
- We will have daily spelling assignments that will be due on Fridays.
- Students will still be asked to read for 15 minutes each day.

**\*Students will turn in Spelling hw and reading log for a grade on Friday\***

Please check HLA's calendar daily for lunch menu

### Essential Questions
