

Weissler Weekly

For the week of September 19th, 2022!

-Announcements

Stay in touch

There are no questions too big or small. If I am able, I will gladly help. Please, let me know if there are any issues with hw, classwork or anything else. I will try my best to be accommodating and flexible. Please message me at jweissler@hlacharter.com or find me in the car loop during morning drop-off.

PE

Due to unexpected technical difficulties with the grading system your student's PE grade will not appear on their progress report. Unless you have received specific communication from Coach Cotter there is no reason to be concerned about your student's grade. Skyward will be updated with correct grades as soon as possible. Until then, if you have any questions or concerns about your students PE grade please email Coach Cotter at bcotter@hlacharter.com

Homework Folders

The inside of our homework folders may get cluttered every so often. To limit misunderstandings we will try to put papers to be left at home on the left side. Papers that we need to bring right back to school will go on the right side. In addition, I will try my best to write at the top of pages what the expectation is if they are not typical work so it is not a guessing game.

Please keep weekly hw in our homework folder. The hw folder should be brought to school each day. Spelling hw along with the reading log should remain in the folder until it is turned in on Fridays.

Students will turn in Spelling hw and reading log for a grade on Friday

Parent Night

We will have our next parent night this coming Thursday 9/22. The topic for this parent night will be our curriculum for English Language Arts (ELA.) We will also discuss expectations and helpful practices to promote your child's success.

Please check HLA's calendar daily for lunch menu

Essential Questions
