The Week In Review

ELA: This past week, we covered characters, direct and indirect verbs, and the prefix, “sub-.”

SS: We’re currently learning about “Participating in Our Government” and will test this week.

Math: We’re on Ch. 6, which focuses on Multiplying Decimals. We will test this week.

Science: We’re currently studying Unit 4: Weather, Climate, and the Water Cycle.

Word of the Week:

Our word of the week was “kindness.” Kindness has many benefits, including increased happiness and a healthy heart. It slows down the aging process and improves relationships, which indirectly boosts your health. Showing kindness is just as rewarding as receiving it from someone else.
