

# THE BECKER BULLETIN

October  
21, 2022

## Parent Conference Reminders

Just a reminder that parent-teacher conferences will be held on Tuesday, November 1<sup>st</sup>, from 7:30 am until 3:00 pm. We will be discussing beginning of the year test results, math and ELA fluency, and report card grades.

Please arrive on-time, as each conference cannot exceed 30 minutes.

If you have not signed up for a conference, please do so immediately. The sign-up sheet is next to Mrs. Carr's desk. Thank you!

### The Week In Review

**ELA:** This past week, we covered sequence of events, common and proper nouns, and the prefix, "quad-."

**SS:** Due to the short week and students having art, we didn't start anything new this week. Economics is next!

**Math:** We just tested on Ch. 2, and began Ch. 5: Multiplying Decimals and Whole Numbers.

**Science:** We're done with Unit 3: The Solar System and the Universe, and will test this week.

### Word of the Week:

Our word of the week was "wisdom," which is the quality of having experience, knowledge, and good judgment.

When you make wise decisions, you keep your immediate needs in mind, along with holding long-term perspectives. This is key to making choices that bring joy.

### Miscellaneous

#### Upcoming Dates

Tuesday, October 25- Report cards available on Skyward

Wednesday, October 26- Picture make-up day

Friday, October 28- Costume Day

Monday, October 31- Pumpkin Day

Mark your  
calendar!

### Spelling

Students should neatly write each of the following words with large, legible print on the index cards sent home today. This week, we will focus on words with a vowel team syllable pattern.

accountable	committee	jeering	typhoon	appointment	discreet
maintained	unseated	blueprint	featuring	unsustainable	seedling

### Notes from Ms. Katje

*Students are still working on finishing their space art.*

### Notes from Coach Cotter

*We have begun our basketball unit. Students are learning how to accurately shoot the basketball. In health, students are learning about different types of germs and how they spread and affect the body.*
