9, 2022

Holiday Performance!

Our annual holiday performance will be held Wednesday, December 14th on the main stage in the Town of Tioga. The show begins promptly at 6:00 p.m., but since 5th graders have speaking roles, Mrs. B. would like them there by 5:30 p.m. to practice. Please allow extra time to get there and find a parking spot! Parents, you may want to bring lawn chairs or blankets, as there is no designated seating available. This is an important HLA tradition, so please make sure that your child dresses appropriately.

Class Party!

I'd like to hold our class party on Friday, December 16th. This will include holiday crafts, our first class auction, a viewing of *Winnie the Pooh* (we've been reading the novel in class), and food. If you'd be willing to contribute items for our auction, my students and I would be extremely grateful. Look around the house and clear out the clutter! Also, please let me know if you can provide some healthy snacks! Don't forget that December 16th is also Pajama Day. Wear appropriate clothes and don't forget tennis shoes for P.E.!

The Week In Review

ELA: We didn't have ELA class this week due to MOY testing.

SS: We're currently studying Ch. 1: The First Americans. I hope to test before the holidays.

Math: Students just tested on Ch. 7, which was on Dividing Decimals. Ch. 8 is on Adding and Subtracting Fractions.

Science: We just tested on Unit 4: Weather, Climate, and the Water Cycle. Unit 5 will focus on The Nature of Matter.

Word of the Week:

Our word of the week was "believe." When you don't believe in yourself, you enter situations already believing that you will fail, and, therefore, don't put forth the effort necessary to be successful. When you believe in yourself, you can do anything!

Miscellaneous

Upcoming Dates

Monday, December 12- Dress Like the 80's!

Wednesday, December 14- Holiday Performance @ Town of Tioga

Thursday, December 15- FAST Testing

Friday, December 16- Pajama & Movie Day

Monday, December 19-Monday, January 2- Winter Break

Spelling

We'll be using this upcoming week to do our mid-year testing and to catch up on science and social studies. Due to this, there will be no ELA, nor any spelling assignments this week.

Notes from Ms. Katje

Students are working on their heron art.

Notes from Coach Cotter

In PE, students are beginning our baseball unit. In health, students are beginning our unit on nutrition. Students are learning about healthy and unhealthy foods and different types of nutrients.
