MOY Testing

We will be having our middle of the year tests before winter break. Please help your child prepare by getting enough sleep and not stressing. This test is to look for progress and is not a grade. If you know that you will miss school leading up to the break please let me know.

We plan on testing Monday 12/12 and Tuesday 12/13.

Volunteering

Please look for volunteer opportunities this coming month. In addition to helping out during morning mile and after school, we would like parents to come in and read with students. We will have openings each week on Tuesday, Wednesday, and Thursday from 10:00-11:30. Look for this on the signup genius. On Tuesdays or Thursdays you can help out with reader's theater.

I have been notified that signup genius spots did not continue into this month. While I get that fixed please let me know if you would like to come in to read with us in class.

If you would like to help with a winter craft during the last week of school before break let me know as we will have a busy schedule these next two weeks. I would also appreciate hearing from you if you have any craft or party ideas/ suggestions.

Reading Fluency and Comprehension

We currently have reading comprehension quizzes weekly. These are short passages followed by 2-3 questions to show understanding. You can help prepare your child for these quizzes by asking follow up questions to their daily reading practice. Please have your child read aloud to you if you are able a few times per week. Try your best to have them read a book that is appropriate for their skill level.

Stay in touch

There are no questions too big or small. If I am able, I will gladly help. Please, let me know if there are any issues with hw, classwork or anything else. I will try my best to be accommodating and flexible. Please message me at jweissler@hlacharter.com or find me in the car loop during morning drop-off.

Students will turn in Spelling hw and reading log for a grade on Friday

Please check HLA's calendar daily for lunch menu
