PE- competitive team based games
Art- intro to Ukulele and Kalimba
In class- Unity projects, mindfulness
activities, and "Show and Tell"

Dear First Grade families,

Thank you to my students for being flexible and working hard this week. We are experiencing some Winter time germs going around, so the class and I discussed proper washing and etiquette when sneezing and coughing in the classroom.

We will have regular spelling homework and a test this coming week with our new words. Please also ensure the students are completing their sentences on their reading log on their own with correct capitalization and punctuation.

We are going to have our math test on Monday, since there were a lot of students out this week.

We had a successful 100th day of school and thank you to those who donated to our STEM project.

Hope you all have a wonderful week,
Ms. Martinez

Friendly reminders:

* We would love to have some goodies for our treasure box such as dollar store items or gently used toys/stuffed animals.

* Volunteers are needed for the following:
-dust classroom and outdoor cubbies
-set up STEM activities for science
-cook in the kitchen on Feb 16th at 11am.
-print/cut spelling words
-read with/to students

"Friendship is the hardest thing in the world to explain. It's not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything." —
