### The Week In Review

**ELA:** We covered cause and effect, subject and object pronouns, and the suffix “-able.”

**SS:** Students are currently learning about Life in the Colonies in Ch. 4.

**Math:** We just tested on Ch. 14 this week. Ch. 15 is on volume.

**Science:** Students just tested on Unit 9. In Unit 10, we will focus on changes in environments.

#### **Word of the Week:**

Our word of the week was “safety.” School safety plays a crucial role in youth development and academic success. Students who feel safe at school tend to have better emotional health and are less likely to engage in risky behaviors. That sense of safety contributes to an overall feeling of connection.
