

Weissler Weekly

For the week of March 27th, 2023!

-Announcements

Words of Kindness

Please speak with your child and discuss with them how they can be positive examples within our class. I would like to continue seeing our students be kind and helpful to others as well as reacting appropriately within a group setting.

Math Practice/ Sight Words

As we are getting closer to the end of the year we cannot lose focus on the basics. If you have flashcards with basic math facts please have your student practice at home on days with little to no homework.

Classroom Library Books

As we approach the end of the year, we kindly ask that you take a moment to check for any classroom library books your child may have borrowed during the year. We would greatly appreciate it if you could return any books to school as soon as possible so that they can be made available for other students to enjoy. Classroom libraries are an integral part of our literacy program, and we want to ensure that all students have access to a wide range of reading materials. Thank you for your cooperation and support.

Volunteering

Please make sure that you check the Sign Up Genius to see what opportunities are available to do and on what days and what time.

Stay in touch

There are no questions too big or small. If I am able, I will gladly help. Please, let me know if there are any issues with hw, classwork or anything else. I will try my best to be accommodating and flexible. Please message me at jweissler@hlacharter.com or find me in the car loop during morning drop-off.

Students will turn in Spelling hw and reading log for a grade on Friday

Please check HLA's calendar daily for lunch menu
