

Weissler Weekly

For the week of March 6th, 2023!

-Announcements

Book Recommendations

In order to help our students find new books that may interest them we will begin having book recommendations. These will be similar in nature to show and tell, however students will have the opportunity to present a book that they really enjoyed to the class. These will be reviews and not book reports; there is no need to write or prepare. Students can simply say why they liked the book and why someone else might as well.

Mini Spelling Bees

To help students get ready for their spelling tests we will be having mini spelling bees each Thursday. The bee will include our week's words mixed in with second grade sight words. These should be relatively quick and fun with no added stress.

Potential Field Trips

We are currently working to go on several field trips before the end of the school year. Due to issues with local buses we may be limited in our destinations. We will keep you updated regarding involvement or chaperoning as soon as each trip is confirmed.

New Volunteering Opportunities

Check out our signup genius for additional opportunities to volunteer. You can now volunteer during activities such as snack time, recess, yoga, and PE. Aftercare now has open spots to volunteer on a daily basis.

Stay in touch

There are no questions too big or small. If I am able, I will gladly help. Please, let me know if there are any issues with hw, classwork or anything else. I will try my best to be accommodating and flexible. Please message me at jweissler@hlacharter.com or find me in the car loop during morning drop-off.

Students will turn in Spelling hw and reading log for a grade on Friday

Please check HLA's calendar daily for lunch menu
