Short o & e

Announcements

-Happy Friday! We had a great week! We wrapped up our 1st chapter of math, read a lot, practiced handwriting, learned about short vowels and verbs, and practiced the steps that scientists do when completing an experiment!

-Thank you to those of you who participated in Career Day! It was awesome!

-Progress Reports are available on Skyward.

-HLA is offering a Flu Mist for students on 9/18.

-Picture Day is right around the corner! September 21 is Picture Day!

-For the weekly Reading Log, students may read, be read to, or listen to a story, then log it (M, T, W, and TH and turn in on Friday). The summary portion does not have to be completed until the second semester.

-Next week is "Hello Week". Ms. Bowser has planned activities for the week to help celebrate kindness, connection, empathy, inclusion, and belonging!

-**Monday**= students are encouraged to sit by someone new, **Tuesday**= students learn what it means to be an upstander, **Wednesday**= wear green, **Thursday**= students will identify a trusted adult, & **Friday**= students will reflect on the week and contribute to a collaborative art project.
