Scholastic Book Fair

Get ready to dive into the world of books, fourth graders! Our Scholastic Book Fair is just around the corner, starting on October 17th. It's an exciting time to explore new stories, discover fantastic adventures, and expand your love for reading. We'll have a wide selection of books for all interests, so be sure to stop by and explore the Book Fair during the coming week. You might just find your next favorite book waiting for you!

Caring Classmates

In our fourth-grade class this week, we've been having some important conversations about how to be kind and considerate classmates. We've been learning about the power of spreading positivity and being friendly to one another. We understand that everyone is unique, and that's what makes our class so special. We've been discussing the importance of standing up for our friends when they need our support and helping each other when someone's feeling down. We believe that by treating each other with respect and kindness, we can create a wonderful and supportive classroom where everyone feels safe and included. Together, we are building a strong and caring community.

Conference Days

Our conference day has been set as November 2nd. There will be a sign-up genius on HLA's website shortly.

Sports Schedules

I am getting invited to quite a few upcoming games being played by fourth graders. I would love to see at least one game per student's season and could use help planning it out. If your child is on a team and their schedule is out, please print or send me a copy so I can plan ahead and show my support!

Stay in touch

There are no questions too big or small. If I am able, I will gladly help. Please, let me know if there are any issues with hw, classwork or anything else. I will try my best to be accommodating and flexible. Please message me at jweissler@hlacharter.com or find me in the car loop during morning drop-off.

Students will turn in Spelling hw and reading log for a grade on Friday

Please check HLA's calendar daily for lunch menu
