

Friar's Flower Patch

May 09, 2025

### Announcements

**Math** – We continued our chapter on measurement. During this chapter, we will discuss fractions, customary units for capacity, metric units for liquid volume, and talk about temperature.

**Reading** – The story this week, "From Fruit to Jam" taught us about a business that makes and sells orange marmalade. Our great state of Florida was mentioned in this story for producing over half the oranges in the United States.

**Science** – We focused on Mother's Day activities and had an art lesson.

**Art** –

### Reminders –

Sample F.A.S.T. Tests – found on [flfast.org](http://flfast.org)

Sample FAST Tests/Sample FAST Test Answer Keys

Released FAST Tests, All Released Tests (2024)

We are counting down our school days. Please remind your child that there are still things to learn. Paying attention and doing his/her best will help with the end of the year testing.
