Current Class Read Aloud:

We are listening to the read aloud

The Sign of the Beaver by Elizabeth George Speare. You may remember this author by her book, The Witch

of Blackbird Pond. That novel is more for middle or high schoolers. I list the books I read aloud so if any students want to get the book they can read along with me.

End of the Year Testing

The last days are coming! Please be aware of the EOY dates we are given, listed above. These are the end of the year COMPUTER tests. They are state testing. Additionally,

I am required to give 4 (!) other tests for gauging growth over our 5th grade year. These paper tests are worth 2 percentage grades in each subject.

Math Studies

We are currently finishing calculating volume of a rectangular prism, and we will briefly look at units of measurement next.

Science News

We are looking at the Atomic Theory, and parts of atoms, what makes a molecule, solutions and mixtures. Chemistry is fun!

Camp Crystal

Several students have already completed their second packet and turned in money for the trip!! This is a highly anticipated trip for the class! Get your paperwork in so you may go! The second packet is due back by April 16th at the latest so plans for food and activities can be finalized.

Please be sure your child has a healthy snack. Students find the snacks helpful and an important part of their day. Make sure your child has a great day every day! Send a healthy snack 😊
