Yoga Pose of the Week:

Teacher's Choice:

Seated Staff Pose

Word of the Week:

Citizenship

End of the Year Testing

Please be aware of the EOY dates we are given. These are the end of the year COMPUTER tests. They are state testing. Additionally, I am

required to give 4 (!) other tests for gauging growth over our 5th grade year. These paper tests are worth 2 percentage grades in each subject.

Current Class Read Aloud:

We are listening to the read aloud **The Sign of the Beaver** by Elizabeth George Speare.

Registration deadline!!!
5/30/2025-5th Grade Graduation!!

Math Studies

We are currently finishing calculating volume of a rectangular prism, and we will briefly look at units of measurement next.

Camp Crystal

We are headed home from Camp Crystal! Please pick up your student from the District Office at 620 E University Avenue, in Gainesville. Students are to be picked up on Friday at the original drop off location, at 12:45PM.

Homework this last Week:

Due to attending Camp Crystal, we only had 2 days of Math homework, and our usual 60 minutes Reading.

Science News

We are looking at the Atomic Theory. We are learning the basic parts of the atom, the difference between solutions and mixtures, and more about the elements.

Please be sure your child has a healthy snack. Students find the snacks helpful and an important part of their day. Make sure your child has a great day every day! Send a healthy snack 😊
