Math Studies

We are currently finishing Graphing data, chapter 17. We have one chapter of Math left for the year!!!

Science News

We are looking at the Atomic Theory. We are learning the basic parts of the atom, the difference between solutions and mixtures, and more about the elements.

Social Studies

We are reading about the Louisiana Purchase and the Westward Movement. Our read aloud book that we just finished, Sign of the Beaver, is about this time in our history.

Please be sure your child has a healthy snack. Students find the snacks helpful and an important part of their day. Make sure your child has a great day every day! Send a healthy snack 😊
