New business

- **School year 2026-27.** Proposal on half-day Fridays instead of Weds. The survey showed dramatically overwhelming support by stakeholders (95% in favor). Sharon moved to authorize principal to adjust schedule based on teacher inputs. Whitney seconded, and all approved.
- **Principal reports** – append for web.
- **Volunteer support and opportunities:** Based on both public comment and board queries, management updated policies and processes for volunteering to make more accessible and easy for stakeholders. Below is new policy language:
 - We have increased communication to families by sending more frequent and targeted emails highlighting available volunteer opportunities. In addition, we are expanding the types of opportunities offered to better accommodate family schedules and maximize participation. This includes creating larger, event-based opportunities (such as Beautification Day, Career Day, and Field Day) that allow families to earn multiple volunteer hours in a single engagement
- Public comment: asked about volunteer opportunities above.
